

6th June 2016

Dear (name of student),

I would like to introduce myself as the Headteacher of Lynch Hill Enterprise Academy (LHEA). I am delighted that you will be joining our Academy and I look forward to welcoming you. Making the move from primary school to secondary school is an important stage in your education and one which I'm sure you will thoroughly enjoy.

LHEA moves to a new site on the Stoke Road on 1st September 2016. The new state of the art school offers the best in school design and cutting edge technology. I feel privileged to lead the Academy at this exciting time. We celebrate excellence and we want all students to thrive as happy, successful young people who achieve their best in all they do. I am really pleased you will be joining our academy in September 2016.

I look forward to you spending Induction Day with us on Tuesday 12th July. You will get to meet the other students who will be starting in year 7 at the same time as you. You will meet some of your new teachers and experience taster lessons, you will also receive an information pack which will help you to understand more about life at Lynch Hill Enterprise Academy.

As a team of staff, we want our students to be confident, have high aspirations and discover new talents and skills too. I enclose our most recent newsletter with this letter to give you some idea of the rich and varied activities both inside and outside the classroom during the last half term. LHEA students have had opportunities to learn Spanish, enjoy Science, Technology, Engineering and Maths (STEM) activities, a 'Sky Sports' package and a Chess Club, to mention just a few!

When you start with us in September, we will help you to settle in and you will quickly get to know the other students and get used to your new academic classes. Our current Year 7 students have bonded really well as a group and I'm sure new students beginning year 7 in September 2016 will do likewise.

Induction day on Tuesday 12th July will start at 8.45am, you may arrive at any time from 8.30am onwards. New students may bring a packed lunch or can buy a school lunch. Lessons will finish at 3pm. School uniforms will be available on Monday 18th July in the school hall at Lynch Hill Primary School, so you will be able to get your new uniform for when you start at Lynch Hill Enterprise Academy on Tuesday 6th September.

I look forward to meeting you on Tuesday 12th July.

Yours sincerely,

N. J. Everton

Jane Everton
