Dear Parents, Carers

**RE: PARENT TEACHER ASSOCIATION (PTA)**

As all good schools have a PTA Lynch Hill Enterprise Academy would like to set up a partnership of parents, carers, guardians and staff, who come together with the common goal to support the school and its vision. The association will also be involved in the following:

- Social events to celebrate a diversity of different cultures
- Fundraising for the school to provide extra facilities for your child/ren
- Ways to improve our existing needs and for you to have an input in your child’s education.
- This is an opportunity for people to meet and get together to know each other and have fun

All parents and carers, of pupils currently attending the school and all members of staff can become members. We would meet approximately once a term providing an excellent opportunity for parents and staff to work together to continue to improve our school even further.

**If you would be interested in being part of our new partnership team. Please complete the slip below and hand back to the office or email your interest to: [I.flegg@lhea.org.uk](mailto:I.flegg@lhea.org.uk)**

Yours sincerely,
