LHEA Library Opens

LHEA Library officially opens- a hive of activity.

The Library Monitors have been industriously processing books for a few weeks now. Their aim is to have all new books ready for borrowing within the next two weeks.

As you can see it is a team effort and the students have been organizing their roles in a factory line process to get the books into the students' hands as quickly as possible.

There are many willing Library Monitors, Halima, Humza Shah, Britney, Zhorah, are pictured here working their way through the pile of books, stamping, gluing and sorting into borrowing piles, each morning

tea and lunch time.

You may notice the decorations in the Library. These are the results of hours of work by Mrs Khan, Mrs Chadha, Miss Johnson and Miss Bao. The word tree has been photographed many times by admiring visitors. You can see it in the back of the student photo.

International Bookmark Exchange

These same ladies are responsible for the fabulous International Bookmark Exchange display.

Our students created over 60 bookmarks to exchange with schools in Trinidad and Australia for International Library Month in October.

In return we received over 60 bookmarks from these same schools. You can see them in the photos of the display. They are really beautiful.

We are very proud of the work completed by our staff and pupils.

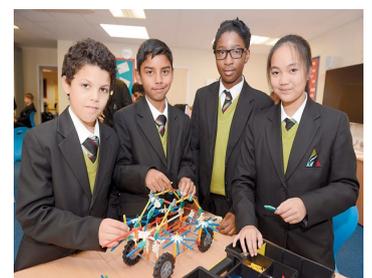

Next time you come to visit please pop in and see all the hard work and effort done to our Library.

STEM EVENT— 8th OCTOBER 2014

On Tuesday and Wednesday, the pupils took part in a Science, Technology, Engineering and Mathematics (STEM) enrichment workshops.

During the day pupils took part in a number of events including boat making and learning the concept of how some items are made. It gave the pupils a unique opportunity to learn about STEM as well as the career options they can

offer.

INCREDIBLE STORY TELLERS! LIVE STORY TELLING FAMILY EVENING AT LHEA WEDNESDAY 26 NOVEMBER 2014

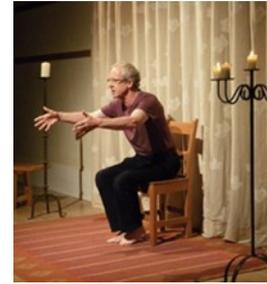

Our story telling evening took place on Wednesday 26th November from 5.30pm to 7.30pm. We would like to thank all who took the time out to attend and support the Academy on the evening.

We had some incredible story tellers on this date. They are the country's BEST performers and we experienced something very special. These artists have performed in many countries and are very skilled at their craft. From left to right:

Xanthe Gresham - Knight

TUUP (Godfrey Duncan)
Mike Forbes, Fionnaghal.

WOW! What a line up!

On this day experienced and entertaining story tellers presented sessions that will encourage our pupils to write and tell stories and of course lift our students' levels of literacy.

During the evening session the focus was aimed at family attendance and so a huge thank you to you for attending our evening. All who came were entertained and inspired.

Enrichment Activities

In enrichment I have a great time with my friends, it gives me a chance to learn and take up new responsibilities that helps me to become more reliable on myself.

It may seem long but it is very important and it is crucial for your curricular report and it can help you

earn a better job e.g. when someone sees your school report when you apply they will be mesmerized that you have

been doing extra curricular activities, the person reviewing you will be happy to give you the job. That is why you should be grateful you are being given the opportunity at school that no-one else is being given.

Story by Year 7 pupils

Science Challenge—24th November 2014

I enjoyed making the transporter because I was outstanding at making it because my uncle is a mechanic so I know a lot about mechanical stuff. However, the most important thing was that we worked as a team and we all communicated and helped each other. Also, the way we all just got on and

Caption describing picture or graphic.

done it. We didn't even know each other that well and when all sat down we thought it was going to be a unsuccessful project in the end it was a success in my opinion.

Ricky: Accountant

Iman: Manager

Keah: Electrical

Nicole: Electrical

Severyn: Mechanical

Sufyan: Mechanical

SCHOOL VISIT PGL —13, 14 & 15 October 2014

Today was the day when we, 7NCH, experienced treacherous conditions during the course of PGL. On our way to Swindon, we had to face, pouring rain, murderous hail, evil fog and over shadowing cloud's. As we set off from the school, I felt danger deep within me. As the school mini-bus hurtled onto the motorway, we immediately ran into the treacherous rush hour. Surprisingly, what made everyone quiet the ruck-

us was when Ms Chauhan put on Katy Perry. UGHH!! How I hate her! (KP that is Miss).

At last we arrived at Swindon. At first it looked like a torture camp but Oh how wrong I was! Two men (I think in their late 20's) came up to us. Unfortunately, Nicole recognized one of them. "Jake!" she squealed. I knew this was going to be: Long, adventurous, hear stopping, emotional and particularly dangerous.

Our first danger-

ous/sports adventure was fencing. Our fencing teacher (his name was the Welsh Man, nobody knows why??) allowed most of us to volunteer with a couple of basic moves. Believe me I am NEVER volunteering for THAT again!

The second dangerous/sports was the big, scary, deadly (but fun) Giant Swing. Rain battered on me and Shahzab as we prepared ourselves for our turn on the terrifying swing. When we reached our destination, I pulled on the rope and we were swinging like mad, uncontrollably like a twister picking up houses and throwing them around.

Story by: Connor Smith 7NCH

Staff at LHEA

Ms U Norbert: Head of School

TEACHING STAFF:

Miss L Webb: Head of Year

Ms N Chauhan: STEM & Maths Subject Leader

Mrs P Carmichael: English & Art Teacher

Mr D Stillingfleet: MFL & Humanities Teacher

Mrs R Dale: Science & Computing Teacher

SUPPORT STAFF:

Miss L Bao: Teaching Assistant

Mrs P Chadha: Teaching Assistant

Miss P Johnson: Teaching Assistant

Mrs R Khan: Teaching Assistant

Mrs B Khaira: Administrative Officer

ATTENDANCE & ABSENCES

Please keep ALL appointments for the doctor or dentist for after school or at weekends only, unless it's an emergency.

If your child does have an appointment which is an emergency or if they have a hospital appointment, we will need to

see proof of the appointment letter. If this is not provided then the ab-

sence will be recorded as unauthorised.

If your child has 5 or more absences within a 13 week period then they will be issued with a fixed penalty notice.

Please can we ask you all to cooperate with the school and ensure that your child attends school every day unless they have a valid reason.
